

CO#12 to SOW #1 TO MASTER PROFESSIONAL SERVICES
AGREEMENT

CONSULTING/DEVELOPMENT PROJECT SOW

PROJECT: Offshore Development Services

This Change Order 12 to SOW No. 1 (this “**Change Order**”), dated effective as of 1st day of January 2026 (“Effective Date”), is made by and between

- (1) **PYRAMID CONSULTING, INC.**, a Georgia corporation (“**Pyramid**” or “**Contractor**”); and
- (2) **PRIMERICA FINANCIAL SERVICES, LLC**, a Nevada limited liability company (“**Client**” or “**Primerica**”).

This Change Order amends SOW No. 1 between Pyramid and Primerica dated effective as of the 13th day of May 2021, as amended (the “SOW”) and is incorporated into, governed by, and forms a part of that certain **MASTER PROFESSIONAL SERVICES AGREEMENT** between Pyramid and Primerica dated effective as of the 13th day of May 2021 (“**Agreement**”). All capitalized terms in this Change Order have the same meaning as in the SOW unless otherwise defined in this Change Order, all of the terms of the SOW remain in full force and effect, with no change.

1. Definitions.

1.1. In this SOW the following terms have the following meanings:

- i. “**Offshore Delivery Center**” shall mean Pyramid’s offsite facility located in Noida, India from which the Offsite Resources will provide the Services
- ii. “**Offsite Resources**” shall mean any resource provided to Client by Pyramid hereunder for work to be performed at the Offshore Delivery Center
- iii. “**Onsite Resources**” shall mean any resource provided to Client by Pyramid hereunder for work to be performed at Client’s or Client Affiliates’ facilities
- iv. “**Provider Personnel**” shall mean the Offsite Resources and the Onsite Resources.

2. Statement of Work.

- 2.1. Beginning January 1, 2026 (the “Start Date”) through June 30, 2026, Pyramid shall provide a dedicated team to perform some or all of the following Services as indicated and as requested by Client:

A Application Development & Testing Services

- i. API developers (offshore)

API developer (offshore) a. Review the business requirements for upcoming projects and build business domain driven reusable microservices using microservices design patterns. b. Analyze and decompose existing monolithic applications into microservices c. Design and development efforts, both individually and as a part of the team d. Maintain release notes by documenting new services, fixes and setup configuration details e. Monitor builds and collaborate with DevOps and test team members to resolve build issues f. Troubleshoot deployment issues in conjunction with DevOps and test team members

- ii. Front end developers (offshore)

- a. Perform software development and enhancement tasks for assigned application

development projects. b. Develop software using Java and JavaScript Principles and Patterns, ES6, Typescript and Object-Oriented Programming. C. Troubleshoot and debug using tools such as browser DevTools, etc. d. Develop and consume REST services. e. Perform unit and integration testing. F. Work on build activities like branching, merging and tagging

2.2. The following general provisions shall be applicable with respect to all Services provided pursuant to this SOW.

- i. Client acknowledges and agrees that Pyramid intends to employ its affiliated company Pyramid IT Consulting Private Limited and personnel at the Offshore Delivery Center (ODC) and/or such personnel's respective personal residences located in India, and that it is anticipated that the use of such company and its personnel has enabled Pyramid to quote fees and rates lower than would otherwise be the case. Pyramid is and remains liable for the acts and omissions of Pyramid IT Consulting Private Limited and its personnel, except as expressly set forth in this Section 2.2(i), Pyramid (including such affiliated company and their respective personnel) shall not provide the Services from any other location(s) outside of the continental United States.
- ii. Any third-party contractors of Pyramid approved by Client in accordance with the Agreement shall sign separate confidentiality/non-disclosure agreement(s) (NDA(s)) and other security documents as requested by Client.

3. Investment by Client.

- 3.1. The Services and Work Product provided by Pyramid shall be done on a time and materials basis as set forth below.
- i. Term for this Change Order: Commencing with the Change Order Start Date and continuing throughout the term, Pyramid will be responsible for providing the services, functions and responsibilities described in this Change Order and any ancillary services, functions and responsibilities not specifically described in this Change Order but which are required for the proper performance and delivery of the Services described herein.
 - ii. Team Makeup

Name	Role	Start Date	End Date	Rate (\$/hr)
Madhavi Vaka	API Developer	January 1, 2026	June 30, 2026	33.0

- iii. Funding added for this Change Order - Estimated Monthly Fee –Time and Materials
 - a. Estimated Monthly Fee: **\$5,544**
 - b. Total Estimated Fee added for this Change Order: **\$33,264**

- 3.2. Overtime. It is assumed that the resources in this Change Order will work 168 hours per month. Overtime must be approved by Primerica in advance and in writing and will be billed at the standard hourly rate (same as the rates provided in section 3.1.ii).
- 3.3. All fees and reimbursable expenses will be invoiced monthly. Notwithstanding the Estimated Monthly Fee and Total Estimated Fee amounts set forth above, Pyramid will only invoice Client for, and Client will only be obligated to pay for, actual time spent performing the Services. Pyramid shall not exceed the Total Estimated Fee amount set forth above without obtaining Client's express prior written approval.
- 3.4. All out of scope work must be mutually agreed upon in writing via a Change Order and will be carried out on a time, expenses and materials (TE&M) basis at the rates set forth in such Change Order.

4. Additional Terms.

The terms set forth below in this Section 4 are applicable to all Services provided under the SOW, including all current and future Change Orders or amendments thereto.

- 4.1. Pyramid acknowledges that Primerica retains personally identifiable information ("PII") that is subject to privacy and data protection laws and that access to such information is strictly limited. The Parties hereby agree and acknowledge that the PII retained by Primerica is accessible to Pyramid subject to the following terms. Pyramid agrees that it may be provided with limited access to PII on a need-to-know basis solely as necessary to fulfill its obligations to Primerica under the SOW. Notwithstanding anything to the contrary in the SOW or any Change Orders or amendments thereto, Pyramid agrees that it (and its personnel) will not under any circumstances or for any reason (i) remove PII or other personal or confidential information from the systems or locations in which it is located; (ii) transcribe, copy, duplicate or retain any PII or other personal or confidential information in any manner or form; (iii) transfer, transmit or otherwise disclose any PII or other personal or confidential information to any third party; or (iv) use PII or other personal or confidential information for any purpose other than the provision of Services to Primerica during the term of the SOW or any Change Orders or amendment thereto. At the conclusion of the applicable SOW, Pyramid will review its systems and devices to ensure no PII or other personal or confidential information has been retained (inadvertently or otherwise) and will purge such information immediately. Pyramid will certify in writing such review and purging if requested by Primerica. Without limiting any other obligation set forth in this Agreement, Pyramid agrees to indemnify, defend and hold Primerica and its affiliates harmless from any costs, penalties or other losses (including reasonable attorneys' fees) caused by, or related to, any violation or breach of this Section 4.

5. Security

5.1 Without limiting any other requirements imposed herein or in the Agreement, the following additional security requirements will be required for Services provided pursuant to this SOW:

- 5.1.1. Pyramid's security program shall include: (i) securing business facilities, data centers, paper files, servers,

back-up systems and computing equipment, including, but not limited to, all devices and other equipment with information storage capability; (ii) implementing network, device application, database and platform security; (iii) securing information transmission, storage and disposal; (iv) implementing multi-factor authentication and access controls within media, applications, operating systems and equipment; (v) encrypting local devices (both in motion and at rest) using a commercially supported encryption solution deployed with no less than a 2048-bit length key; (vi) utilizing current endpoint host protection technologies such as Microsoft Defender for Endpoint, CrowdStrike, SentinelOne, or equivalent on all devices and systems used to provide Services; (vii) prohibiting local admin rights on devices used to provide Services; and (viii) providing appropriate privacy and information security training to Pyramid personnel. In addition, Pyramid shall not split-tunnel any connections to their endpoints. All Contractor personnel must work from a Contractor-owned device, which is managed to security control equivalents set forth above, or a Primerica-owned and controlled device. Personal devices shall not be used.

5.1.1.1. All Pyramid personnel must work from a Pyramid-owned device, which is managed to security control equivalents set forth above, or a Primerica-owned and controlled device. Personal devices shall not be used.

5.1.2. As part of Pyramid facilities configuration, Pyramid shall provide the following physical infrastructure: (i) centralized location managed and monitored by Pyramid or their Managed Service Security Providers (MSSP) for active alerting response; (ii) monitored CCTV cameras at all entry and exit points; and (iii) electronic access devices control entry and exit.

5.2. Pyramid will use Primerica email ID for all correspondence relating to this SOW.

5.2.1. Pyramid warrants that any and all communications utilizing such address will be clearly and boldly marked and noted to clarify that such personnel is not an employee or agent of Primerica. Pyramid hereby acknowledges that any such intranet address will be used solely as absolutely needed in order to provide the services for which such personnel have been retained and that usage of such address shall be immediately terminated upon completion of that individual's engagement. Furthermore, Pyramid and its personnel shall be expressly prohibited from utilizing any Primerica email address on any communication which might create the impression that such personnel is an employee or agent of Primerica.

5.2.2. A disclaimer should be used in all e-mail signatures by the vendors, consultants, contractors and temporary staff. Below is the form of an appropriate disclaimer.

5.2.2.1. "This message is originated by [Name of Service Provider] who is NOT an employee or agent of Primerica, but an external service provider. This message may contain confidential and/or privileged information. If you are not the intended addressee or authorized person to receive this message, you must not use, copy, disclose or take any action based on this message or any information herein. If you have received this message in error, please advise the sender immediately by replying the e-mail and deleting this message. Thank you for your cooperation."

6. **Personnel Location.** All Pyramid personnel must access Primerica systems through Pyramid VPN, or Pyramid office location, limiting the IP addresses Primerica must whitelist, or use a US-based VPN to access Primerica systems.

7. **Identity Verification of Employees**

7.1. Without limiting the agreement, to mitigate the risk of fraud or misconduct, Pyramid shall verify the identity of its personnel through in person interviews or communications.

7.2. Primerica may request visual confirmation of identity.

8. Initial Project Managers.

INITIAL PROJECT MANAGER FOR CLIENT: Scott Thurmond

HIS OR HER CONTACT INFORMATION: Scott.Thurmond@primerica.com

INITIAL PROJECT MANAGER FOR PYRAMID: Abhay Kumar Singh

HIS OR HER CONTACT INFORMATION: abhay.singh@pyramidconsultinginc.com

Either Party may change its Project Manager by written notice to the other Party.

The Parties have caused this Change Order to be executed effective as of the Effective Date set forth above and each individual whose signature appears below hereby warrants that he/she is duly authorized to execute this Change Order on behalf of the Party he/she represents.
